MANAGEMENT INFORMATION CIRCULAR

All information as at June 28, 2022, except where indicated.

PERSONS MAKING THIS SOLICITATION OF PROXIES

This Management Information Circular (“Circular”) is provided in connection with the solicitation of proxies (“Proxies”) by management of First Hydrogen Corp. (the “Company”) from the holders of common shares of the Company (“Common Shares”) in respect of the Annual General and Special Meeting of Shareholders of the Company (the “Meeting”) to be held on Tuesday, August 16, 2022 at the time and place and for the purposes set out in the accompanying notice of meeting (the “Notice of Meeting”).

PERSONS MAKING THIS SOLICITATION OF PROXIES

While it is expected that the solicitation will be made primarily by mail, proxies may be solicited personally or by telephone by directors, officers and employees of the Company. All costs of this solicitation will be borne by the Company.

In light of the ongoing public health concerns related to the COVID-19 pandemic and for the health and safety of our shareholders, employees, advisors and other stakeholders, we strongly encourage Shareholders to vote in advance of the Meeting by proxy instead of attending the Meeting in person. We ask that anyone considering attending the Meeting in person review the most current advice of the British Columbia Ministry of Health and the Public Health Agency of Canada.

COMPLETION AND VOTING OF PROXIES

Voting

Voting at the Meeting will be by a show of hands, each registered shareholder and each Proxyholder (representing a registered or non-registered shareholder) having one vote, unless a poll is required or requested, whereupon each such shareholder and Proxyholder is entitled to one vote for each share held or represented, respectively. To approve a motion proposed at the Meeting a majority of greater than 50% of the votes cast will be required (an “ordinary resolution”) unless the motion requires a “special resolution” in which case a majority of 66% of the votes cast will be required.

Appointment of Proxyholders

A shareholder has the right to appoint a person (who need not be a shareholder) to represent the shareholder at the Meeting other than the persons named in the Proxy as Proxyholders. To exercise this right, the shareholder must insert the name of the shareholder’s nominee in the space provided or complete another Proxy.

The persons named in the accompanying Proxy as Proxyholders are our directors or officers.

A shareholder completing the enclosed Proxy may indicate the manner in which the persons named in the Proxy are to vote with respect to any matter by marking an "X" in the appropriate space. On any poll required (for the reason described above) or requested, those persons will vote or withhold from voting the shares in respect of which they are appointed in accordance with the directions, if any, given in the Proxy, provided such directions are certain.

If a shareholder wishes to confer a discretionary authority with respect to any matter, then the space should be left blank. **In such instance, the Proxyholder, if nominated by management, intends to vote the shares represented by the Proxy in favour of the motion.**

The enclosed Proxy, when properly signed, confers discretionary authority with respect to amendments or variations to the matters identified in the Notice of Meeting and with respect to other matters which may be properly brought before the Meeting. At the time of printing this Information Circular, our management is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. If, however, other matters which are not now known to the management should properly come before the Meeting, the Proxies hereby solicited will be exercised on such matters in accordance with the best judgment of the nominees.

The Proxy must be dated and signed by the shareholder or the shareholder's attorney authorized in writing. In the case of a Company, the Proxy must be dated and duly executed under its corporate seal or signed by a duly authorized officer or attorney for the Company.

The completed Proxy, together with the power of attorney or other authority, if any, under which it was signed or a notary certified copy thereof, must be deposited with our transfer agent in accordance with the instructions and before the time set out in the Proxy. Proxies received after such time may be accepted or rejected by the Chair of the Meeting in the Chair's discretion. Non-registered shareholders that are OBOs (as defined below under "Non-registered Shareholders") must deliver their completed Proxies in accordance with the instructions given by their financial institution or other intermediary that forwarded the Proxy to them.

Registered Shareholders

Only shareholders registered as shareholders in our shareholder registry maintained by our registrar and transfer agent or duly appointed Proxyholders (except as discussed below under "Non-registered Shareholders") will be recognized to make motions or vote at the Meeting.

Non-registered Shareholders

Many Shareholders are "non-registered" shareholders because the shares of the Company they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the shares. More particularly, a person is not a registered Shareholder in respect of shares which are held on behalf of that person (the "Non-Registered Holder") but which are registered either: (a) in the name of an intermediary (an "Intermediary") that the Non-Registered Holder deals with in respect of the shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSP's, RRIF's, RESP's, TFSA's and similar plans); or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited) of which the Intermediary is a participant.

There are two kinds of Non-Registered Holders: those who object to their name being made known to the issuers of securities which they own (called 'OBOs' for Objecting Beneficial Owners) and those who do not

object to the issuers of the securities they own knowing who they are (called ‘**NOBOs**’ for Non-Objecting Beneficial Owners). Subject to the provision of National Instrument 54-101 – *Communication with Beneficial Owners of Securities of Reporting Issuers* (“NI 54-101”), issuers can request and obtain a list of their NOBOs from intermediaries via their transfer agents and use the NOBO list for distribution of proxy-related materials directly to NOBOs. We are not using the notice and access provisions of NI 54-101 this year.

Under the provisions of NI 54-101, we will be directly delivering proxy-related materials to our NOBOs who have not waived the right to receive them. As a result, NOBOs can expect to receive a Voting Instruction Form (“VIF”), together with the Notice of Meeting, this Information Circular and related documents from our transfer agent, Computershare Investor Services Inc. (“Computershare”). These VIF’s are to be completed and returned to Computershare in the envelope provided, or by facsimile, or voted using the telephone or internet alternatives included on the VIF. In this regard, Computershare is required to follow the voting instructions properly received from NOBOs. Computershare will tabulate the results of the VIF’s received from NOBOs and will provide appropriate instructions at the Meeting with respect to the Common Shares represented by the VIF’s they receive. **NOBOs should carefully follow the instructions of Computershare, including those regarding when and where to complete the VIF’s that are to be returned to Computershare.**

Should a NOBO wish to vote at the Meeting in person, the NOBO must insert the names of the NOBO (or the name of the person that the NOBO wants to attend and vote on the NOBO’s behalf) in the space provided on the VIF and return it to Computershare. If Computershare or the Company receives a written request that the NOBO or its nominee be appointed as proxy holder, if management is holding a proxy with respect to common shares beneficially owned by such NOBO, we will arrange, without expense to the NOBO, to appoint the NOBO or its nominee as proxy holder in respect of those common shares. Under NI 54-101, unless corporate law does not allow it, if the NOBO or its nominee is appointed as proxy holder by the Company in this manner, the NOBO or its nominee, as applicable, must be given the authority to attend, vote and otherwise act for and on behalf of management in respect of all matters that come before the meeting and any adjournment or postponement of the meeting. If we receive such instructions at least one business day before the deadline for submission of proxies, we are required to deposit the proxy within that deadline, in order to appoint the NOBO or its nominee as proxy holder. **If a NOBO requests that the NOBO or its nominee be appointed as proxy holder, the NOBO or its appointed nominee, as applicable, will need to attend the meeting in person in order for the NOBOs vote to be counted.**

NOBOs that wish to change their vote must, in sufficient time in advance of the Meeting, contact Computershare to arrange to change their vote.

These securityholder materials are being sent to both registered and non-registered owners of the securities. If you are a non-registered owner and we (or our agent) have sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

By choosing to send these materials to you directly, we (and not the intermediary holding on your behalf) have assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions. We do not intend to pay the costs of intermediaries forwarding the securityholder materials to OBOs so OBOs will only receive the securityholder materials where the intermediary has assumed such costs.

In accordance with the requirements of NI 54-101, we have distributed copies of the Notice of Meeting, this Information Circular, the form of proxy and related documents (collectively, the “Meeting Materials”) to the clearing agencies and Intermediaries for onward distribution to OBOs. Intermediaries are required to forward the Meeting Materials to OBOs unless in the case of certain proxy-related materials the OBO has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Meeting Materials to OBOs. With those Meeting Materials, Intermediaries or their service companies should provide OBOs of Common Shares with a “request for voting instruction form” which, when properly completed and signed by such OBO and **returned to the Intermediary or its service company**, will constitute voting instructions which the Intermediary must follow. The purpose of this procedure is to permit OBOs of Common Shares to direct the voting of the Common Shares that they beneficially own.

Should an OBO of Common Shares wish to vote at the Meeting in person, insert the OBO’s name (or the name of the person the OBO wants to attend and vote on the OBO’s behalf) in the space provided for that purpose on the request for voting instructions form and return it to the OBO’s intermediary or send your intermediary another written request that the OBO or its nominee be appointed as proxy holder. The intermediary is required under NI 54-101 to arrange, without expense to the OBO, to appoint the OBO or its nominee as proxy holder in respect of the OBO’s common shares. Under NI 54-101, unless corporate law does not allow it, if the intermediary makes an appointment in this manner, the OBO or its nominee, as applicable, must be given authority to attend, vote and otherwise act for and on behalf of the intermediary (who is the registered shareholder) in respect of all matters that come before the meeting and any adjournment or postponement of the meeting. An intermediary who receives such instructions at least one business day before the deadline for submission of proxies is required to deposit the proxy within that deadline, in order to appoint the OBO or its nominee as proxy holder. **If an OBO requests that the intermediary appoint the OBO or its nominee as proxy holder, the OBO or its appointed nominee, as applicable, will need to attend the meeting in person in order for the OBOs vote to be counted.**

OBOs should carefully follow the instructions of their Intermediary, including those regarding when and where the completed request for voting instructions is to be delivered. Only registered Shareholders have the right to revoke a proxy. OBOs of Common Shares who wish to change their vote must in sufficient time in advance of the Meeting, arrange for their respective intermediaries to change their vote and if necessary revoke their proxy in accordance with the revocation procedures set out above.

Shareholders with questions respecting the voting of shares held through a stockbroker or other financial intermediary should contact that stockbroker or other intermediary for assistance.

REVOCATION OF PROXIES

Shareholders have the power to revoke Proxies previously given by them. Revocation can be effected by an instrument in writing (which includes a Proxy bearing a later date) signed by a shareholder or the shareholder’s attorney authorized in writing and in the case of a Company, duly executed under its corporate seal or signed by a duly authorized officer or attorney for the Company, and either delivered to our registered office at Suite 440, 755 Burrard Street, Vancouver, British Columbia, V6Z 1X6 or to Computershare Investor Services Inc., at 8th Floor, 100 University Avenue, Toronto, Canada, M5J 2Y1, or by fax at 1-866-249-7775 in Canada and the United States and 416-263-9524 outside of Canada and the US, at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, or deposited with the Chair of the Meeting on the day of the Meeting.

EXERCISE OF DISCRETION

If the instructions in a Proxy are certain, the shares represented thereby will be voted on any poll by the

persons named in the Proxy, and, where a choice with respect to any matter to be acted upon has been specified in the Proxy, the shares represented thereby will, on a poll, be voted or withheld from voting in accordance with the specifications so made.

Where no choice has been specified by the shareholder, and the management proxyholders have been appointed, such shares will, on a poll, be voted in accordance with the notes to the form of Proxy.

The enclosed Proxy, when properly completed and delivered and not revoked, confers discretionary authority upon the persons appointed Proxyholder thereunder to vote with respect to any amendments or variations of matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Except as disclosed herein, no Person has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in matters to be acted upon at the Meeting other than the election of directors or the appointment of auditors. For the purpose of this paragraph, "Person" shall include each person or company: (a) who has been a director or executive officer of the Company at any time since the commencement of the Company's last financial year; (b) who is a proposed nominee for election as a director of the Company; and (c) who is an associate or affiliate of a person or company included in subparagraphs (a) or (b).

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

As at the date of this Information Circular, no executive officer, director, employee or former executive officer, director or employee of the Company or any of its subsidiaries is indebted to the Company, or any of its subsidiaries, nor are any of these individuals indebted to another entity which indebtedness is the subject of a guarantee, support agreement, letter of credit or other similar arrangement or understanding provided by the Company, or any of its subsidiaries.

INTEREST OF CERTAIN PERSONS IN MATERIAL TRANSACTIONS

Except as disclosed herein, since the commencement of the Company's most recently completed financial year, no informed person of the Company, nominee for director or any associate or affiliate of an informed person or nominee, had any material interest, direct or indirect, in any transaction or any proposed transaction which has materially affected or would materially affect the Company or any of its subsidiaries. An "informed person" means: (a) a director or executive officer of the Company; (b) a director or executive officer of a person or company that is itself an informed person or subsidiary of the Company; (c) any person or company who beneficially owns, directly or indirectly, voting securities of the Company or who exercises control or direction over voting securities of the Company or a combination of both carrying more than 10% of the voting rights other than voting securities held by the person or company as underwriter in the course of a distribution; and (d) the Company itself, if and for so long as it has purchased, redeemed or otherwise acquired any of its shares.

NOTICE & ACCESS

The Company is utilizing the "notice and access" process under National Instrument 54-101, and National Instrument 51-102, *Continuous Disclosure Obligations*, for distribution of this Information Circular and other meeting materials to registered and non-registered shareholders.

Notice and Access allows issuers to post electronic versions of meeting materials, including circulars, annual financial statements and management discussion and analysis online, via SEDAR and one other website, rather than mailing paper copies of such meeting materials to shareholders. The Company anticipates that utilizing the Notice and Access process will substantially reduce both postage and printing costs and will promote environmental responsibility by decreasing the large volume of paper documents generated by printing proxy-related materials.

The Company has posted the Information Circular, the Company's financial statements and management discussion & analysis for the years ended March 31, 2022 and March 31, 2021 online at www.sedar.com under the Company's profile and at the following internet address: www.firsthydrogen.com.

The quorum for the transaction of business at a meeting of shareholders is two persons who are, or who represent by proxy, shareholders who, in the aggregate, hold at least 5% of the issued shares entitled to be voted at the meeting.

To the best of the knowledge of our directors and senior officers, there are no Persons who, or companies which, beneficially owns, or controls or directs, directly or indirectly, shares carrying 10% or more of the voting rights attached to all of our outstanding shares.

The Company's Board of Directors recommends a vote "FOR" the approval of the resolution setting the number of directors at four (4). In the absence of a contrary instruction, the persons designated by management of the Company in the enclosed form of proxy intend to vote FOR the approval of the resolution setting the number of directors at four (4).

(1) Member of the Audit Committee.

To the best of management's knowledge, other than described herein, no proposed director is, or has been within the last ten years, a director or executive officer of any company that:

- (a) while that person was acting in that capacity was the subject of a cease trade or similar order or an order that denied the relevant company access to any exemption under securities legislation, for a period of more than 30 consecutive days; or
- (b) after the director or executive officer ceased to be a director or executive officer, was the subject of a cease trade or similar order or an order which resulted from an event that happened while the director acted in that capacity that denied the relevant company access to any exemption under securities legislation, for a period of more than 30 consecutive days; or
- (c) while that person was acting in that capacity or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

To the best of management's knowledge, no proposed director has, within the ten years before the date of this Information Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director.

None of our directors has been subject to (a) any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority, or (b) any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable securityholder in deciding whether to vote for a proposed director.

Mah, Chartered Professional Accountant as the auditor of the Company to hold office until the next annual meeting of Shareholders or until a successor is appointed and to authorize the Board to fix the remuneration of the auditors.

5. Approval of Long-Term Incentive Plan

The Company maintains a Stock Option Plan, which was last approved by Shareholders at a meeting held on December 30, 2020.

Pursuant to the policies of the TSX-V, all security-based compensation plans that reserve for issuance up to 10% (instead of a fixed number) of a listed corporation's shares need to be approved by its shareholders on an annual basis. The rules of the TSX-V require that security-based compensation plans be approved by an ordinary resolution passed by a majority of the votes cast by holders of Common Shares present or represented by proxy at the Meeting. At the Meeting, the shareholders of the Company will be asked to vote to approve the adoption of the Long-Term Incentive Plan ("LTIP"). The full text of the LTIP can be found attached as Schedule "A" to the Circular.

The purpose of the LTIP is to promote the long-term success of the Company and the creation of Shareholder value by: (a) encouraging the attraction and retention of eligible persons under the LTIP; (b) encouraging such eligible persons to focus on critical long-term objectives; and (c) promoting greater alignment of the interests of such eligible persons with the interests of the Company. To this end, this LTIP provides for the grant of restricted share units ("**RSUs**"), performance share units ("**PSUs**"), deferred share units ("**DSUs**") and stock options ("**Options**") (together with RSUs, PSUs, DSUs and Options, the "**Awards**") to eligible persons as further described in the LTIP.

It is intended this LTIP will supersede the existing Stock Option Plan to allow for increased flexibility towards granting Awards and to reflect updated TSX-V Policy 4.4 requirements. The LTIP was approved by the Board on June 28, 2022 and is subject to the acceptance of the TSX-V.

Some of the key provisions of the LTIP are as follows:

- (a) The aggregate maximum number of Common Shares available for issuance from treasury under the LTIP at any given time shall not exceed 10% of the outstanding Common Shares as at the date of grant of the Awards under the LTIP, subject to adjustment or increase of such number pursuant to the terms of the LTIP. Any Common Shares subject to an Option which has been granted under the LTIP and which has been cancelled, repurchased, expired or terminated in accordance with the terms of the LTIP without having been exercised will again be available under the LTIP;
- (b) Unless disinterested shareholder approval is obtained, pursuant to the rules and policies of the TSX-V, the aggregate number of Common Shares for which Awards under the LTIP may be granted to any one participant under the LTIP in any twelve (12) month period shall not exceed five (5%) percent of the issued and outstanding Common Shares, calculated as of the grant date;
- (c) The aggregate number of Awards granted to any one consultant in a twelve (12) month period under the LTIP shall not exceed two (2%) percent of the issued and outstanding Common Shares, calculated as of the grant date;
- (d) In respect of Options, so long as it may be required by the rules and policies of the TSX-V the total number of Options issuable to entities performing investor relations activities shall not exceed two (2%) percent of the issued and outstanding Common Shares in any twelve (12) month period;

- (e) The only Award that may be granted to persons retained to perform investor relations activities are Options.
- (f) Unless disinterested Shareholder approval is obtained, the maximum aggregate number of Common Shares for which Awards may be granted or issued to insiders of the Company (as a group) shall not exceed 10% of the issued and outstanding Common Shares of the Company at any point in time;
- (g) Unless disinterested Shareholder approval is obtained, the maximum aggregate number of Common Shares for which Awards may be granted or issued to insiders of the Company (as a group) in any twelve (12) month period under the LTIP, shall not exceed 10% of the issued and outstanding Common Shares, calculated as of the grant date;
- (h) All Options granted to entities retained to perform investor relations activities will vest and become exercisable in stages over a period of not less than twelve (12) months, with no more than one-quarter (1/4) of such Options vesting and becoming exercisable in any three (3) month period;
- (i) The exercise price of Awards, if applicable, shall be determined by the Board at the time each Award is granted, provided that such price shall not be less than (i) if the Common Shares are listed on the TSX-V, the last closing price of the Common Shares on the TSX-V; or (ii) if the Common Shares are not listed on the TSX-V, in accordance with the rules of the stock exchange on which the Common Shares are listed at the time of the grant; or (iii) if the Common Shares are not listed on any stock exchange, the minimum exercise price as determined by the Board, and which in no case may be less than the discounted market price permitted by the TSX-V;
- (j) The aggregate number of Common Shares reserved for issuance pursuant to Awards granted to insiders of the Company at any given time, or within a 12-month period, shall not exceed 10% of the total number of Common Shares then outstanding, unless disinterested shareholder approval is obtained. The aggregate number of Common Shares reserved for issuance pursuant to Awards granted to any one person or entity within any 12-month period shall not exceed 5% of the total number of Common Shares then outstanding unless disinterested shareholder approval is obtained;
- (k) Subject to the LTIP, the Board may determine when any Award will become exercisable and whether the Award will vest in instalments or pursuant to a vesting schedule, subject to the provision that no Award, except for Options, may vest before the date that is one year following the date the Award is granted or issued;
- (l) The maximum term of any Option cannot exceed ten years from the date of the grant;
- (m) In lieu of the exercise price of each Common Share underlying an Option being paid in cash, the Option holder, except persons performing investor relation activities, may elect with the written permission of the Board and as permitted by the policies of the TSX-V or other stock exchange on which the Common Shares may be listed, for a broker-assisted cashless exercise in accordance with the terms of the LTIP;
- (n) In lieu of the exercise price of each Common Share underlying an Option being paid in cash, the Option may be exercised, except Options granted to persons performing investor relations activities, at the discretion of the Option holder and only with the written permission of the

Board and as permitted by the policies of the TSX-V or other stock exchange on which the Common Shares are listed, by a net exercise whereby the Option holder will receive only the number of Common Shares underlying the Option that is the equal to the quotient obtained by dividing: (a) the product of the number of Options being exercised multiplied by the difference between the VWAP of the underlying Common Shares and the exercise price of the subject Options by, (b) the VWAP of the underlying Common Shares.

- (o) If a Participant's employment or service is terminated, the Awards granted or issued to such participant under the LTIP is subject certain termination and expiry provisions as further described in the LTIP, depending on whether the Participant was terminated for cause, without cause or as a result of disability or death, and in no case shall the Award expire in a period greater than 12 months from the Termination or Cessation Date (as both terms are defined in the LTIP), as may be applicable; and
- (p) In the event of a change of control (as defined in the LTIP), pursuant to which an Eligible Person ceases to be an Eligible Person, all Awards outstanding shall be immediately exercisable, however, no vesting prescribed by the TSX-V, or other stock exchange on which the Common Shares are listed shall be removed without prior written approval of the TSX-V or other such stock exchange.

For further details on the LTIP, please see "*Executive Compensation – Compensation Securities*"

Shareholder Approval for the LTIP

At the Meeting, shareholders will be asked to vote on the following resolution, with or without variation:

1. The LTIP be and is hereby ratified, affirmed and approved until the next annual general meeting of the Company;
2. The form of the LTIP may be amended in order to satisfy the requirements or requests of any regulatory authorities or stock exchange without requiring further approval of the shareholders of the Company;
3. Any one director or officer of the Company is hereby authorized and directed for and on behalf of the Company to execute or cause to be executed and to deliver or cause to be delivered all such documents, and to do or cause to be done all such acts and things, as such director or officer may deem necessary or desirable in connection with the foregoing resolution."

The Board recommends that Shareholders vote FOR the LTIP Resolution. Unless the Shareholder has specifically instructed in the form of proxy or voting instruction form that the Common Shares represented by such proxy or voting instruction form are to be voted against the LTIP Resolution, the persons named in the proxy or voting instruction form will vote FOR the LTIP Resolution.

Oversight and Description of Director and NEO Compensation

The Board has not created or appointed a compensation committee given the Company's current size and stage of development. All tasks related to developing and monitoring the Company's approach to the compensation of the Company's NEOs and directors are performed by the members of the Board.

The compensation of the NEOs, directors and the Company's employees or consultants, if any, is reviewed, recommended and approved by the Board without reference to any specific formula or criteria. NEOs that are also directors of the Company are involved in discussion relating to compensation, and disclose their interest in and abstain from voting on compensation decisions relating to them, as applicable, in accordance with the applicable corporate legislation.

The overall objective of the Company's compensation strategy is to offer short, medium and long-term compensation components to ensure that the Company has in place programs to attract, retain and develop management of the highest calibre and has in place a process to provide for the orderly succession of management, including receipt on an annual basis of any recommendations of the chief executive officer, if any, in this regard.

The Company currently has a short-term compensation component in place, which includes the accrual and/or payment of management fees to certain NEOs, and a long-term compensation component in place, which may include the grant of restricted share units, performance share units, deferred share units, stock options and stock appreciation rights under the LTIP Plan. The Company intends to further develop these compensation components. Although it has not to date, the Board may in the future consider, on an annual basis, an award of bonuses to key executives and senior management. The amount and award of such bonuses is expected to be discretionary, depending on, among other factors, the financial performance of the Company and the position of the executive. The Board considers that the payment of such discretionary annual cash bonuses may satisfy the medium-term compensation component.

The objectives of the Company's compensation policies and procedures are to align the interests of the Company's employees with the interests of the shareholders. Therefore, a significant portion of total compensation granted by the Company, being the grant of stock options, is based upon overall corporate performance. The Company relies on Board discussion without a formal agenda for objectives, criteria and analysis, when determining executive compensation. There are currently no formal performance goals or similar conditions that must be satisfied in connection with the payment of executive compensation.

DISCLOSURE OF CORPORATE GOVERNANCE PRACTICE

The Board of Directors is committed to ensuring that the Company identifies and implements effective corporate governance practices, which are both in the interest of its shareholders and contributes to effective and efficient decision making.

The Company's approach to significant issues of corporate governance is designed to ensure that the business and affairs of the Company are effectively managed to enhance shareholder value. Management has been able to draw assistance from individual directors as well as seek advice from the Board of Directors as a whole, when circumstances require.

In accordance with National Instrument 58-101 - *Disclosure of Corporate Governance Practices* (the "**Disclosure Instrument**") and National Policy 58-201 – Corporate Governance Guidelines (the "**Guidelines**") the Company is required to disclose, on an annual basis, its approach to corporate governance. In addition, the Company is subject to National Instrument 52-110 – *Audit Committees* ("**NI 52-110**"), which prescribes certain requirements in relation to audit committees and defines the meaning of independence with respect to directors. These reflect current regulatory guidelines of the Canadian Securities Administrators.

The Company has established its own corporate governance practices in light of these guidelines, as set forth below. In certain cases, the Company's practices will comply with the guidelines; however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore these guidelines have not been adopted. The Company is a capital pool company that has not completed a qualifying transaction and has limited financial resources. As a result, the Company's corporate governance practices have not been extensively developed. The Board will continue to review with management the corporate governance practices of the Company to ensure that they are sound practices for effective and efficient decision making.

Board of Directors and Directorships

The Board of Directors is responsible for the governance of the Company. It establishes the overall policies and standards of the Company. The Board of Directors meets on a regularly scheduled basis. In addition to these meetings the directors are kept informed of operations through regular reports and analyses by, and discussions with, management.

The Board of Directors of the Company is currently comprised of three directors, all of whom are proposed to be nominated for election as set out in the table on page 6 of this Circular. National Instrument 52-110 *Audit Committees* (“**NI 52-110**”) defines an “independent” director as one who has no direct or indirect “material relationship” with the Company. A “material relationship” is defined as a relationship that could, in the view of the Company’s Board of Directors, reasonably be expected to interfere with the exercise of a director’s independent judgement. NI 52-110 also sets out certain situations where a director will automatically be considered to have a material relationship with the Company. Applying the definition set out in NI 52-110, two of the three members of the Board are independent: Anthony Zelen and Alicia Milne.

The Board meets quarterly, as necessary when operations warrant, and following an annual meeting of shareholders of the Company. In carrying out its responsibilities, the Board requires management of the Company to prepare and submit budgets and programs for approval of the Board. These budgets and programs, and any updates, are to be reviewed at the Board’s quarterly meetings.

In addition to their positions on the Board, the following directors also serve as directors of the reporting issuers or reporting issuer equivalent(s):

Name of Director	Reporting Issuer(s) or Equivalent(s)
Balraj Mann	QMC Quantum Minerals Corp.
Alicia Milne	QMC Quantum Minerals Corp. Queensland Gold Hills Corp. Saville Resources Inc.
Barry Hartley	Umdoni Exploration Inc. Stamper Oil and Gas Corp.

Orientation and Continuing Education

Upon election or appointment of new directors, the Company will provide new directors with an information package of the Company, including, among other things, its policies, procedures and disclosures. Generally, the Company expects that the board members have a familiarity with the business of mineral exploration and development. Professional advisors may be invited to attend Board meetings, as needed. The Company also relies on the relatively straightforward nature of its business and the established qualifications and expertise of its board members.

Ethical Business Conduct

The Board has adopted a written Code of Conduct (the “**Code**”), which is available under the Company’s profile on SEDAR. The entire Company is encouraged to report violations of the Code in accordance with the procedures set forth in the Code. In addition to responding to any complaints or violations reported directly to the Board members, the Board is expected to make periodic inquiries of the Company’s management as to issues related to compliance with Code requirements. In addition, in the course of the regular business and operation updates provided by management to the Board members, there are opportunities to discuss any Code compliance issues. As required under the Business Corporations Act and the Company’s articles:

- a director or senior officer who holds any office or possesses any property, right or interest that could result, directly or indirectly, in the creation of a duty or interest that materially conflicts with that individual’s duty or interest as a director or executive officer of the Company must promptly disclose the nature and extent of that conflict; and

- a director who holds a disclosable interest (as that term is used in the Business Corporations Act) in a contract or transaction into which the Company has entered or proposes to enter may not vote on any directors' resolution to approve the contract or transaction, other than as permitted by the Business Corporations Act and the Company's articles.

Generally, as a matter of practice, directors or senior officers who have disclosed a material interest in any transaction or agreement that the Board is considering will not take part in any Board discussion respecting that contract or transaction, unless permitted by the Business Corporations Act and the Company's articles. If on occasion such directors do participate in the discussions, they will abstain from voting on any matters relating to matters in which they have disclosed a material interest.

Nomination of Directors & Assessments

Potential candidates for appointment to the Board will be considered by the entire Board of Directors of the Company. The Board has no specific procedures for regularly assessing the effectiveness and contribution of the Board, its committees or individual directors. As the business of the Company is relatively straightforward, it is expected that a significant lack of performance on the part of a committee or individual director would become readily apparent, and could be dealt with on a case-by-case basis. With respect to the Board as a whole, the Board will monitor its performance on an ongoing basis and as part of that process, consider the overall performance of the Company and input from its shareholders. The Board as a whole is responsible for assessing its effectiveness, its members and each committee in consultation with the chair of the Board and the chair of each committee.

The Audit Committee will not approve engagements relating to, or pre-approve categories of, non-audit services to be provided by the auditors: (i) if such services are of a type the performance of which would cause the auditors to cease to be independent within the meaning of applicable securities law; and (ii) without consideration, among other things, of whether the auditors are best situated to provide the required services and whether the required services are consistent with their role as auditor.

Complaints

The Audit Committee has established a "Whistleblower Policy" which outlines procedures for the confidential, anonymous submission by employees regarding the Company's compliance with all applicable government laws, rules and regulations, corporate reporting and disclosure, accounting practices, accounting controls, auditing practices and other matter relating to fraud against shareholders (the "Accounting Concerns"), without fear of retaliation of any kind. If an applicable individual has any concerns about any of the Accounting Concerns which they consider to be questionable, incorrect, misleading or fraudulent, the applicable individual is urged to come forward with any such information, complaints or concerns, without regard to the position of the person or persons responsible for the subject matter of the relevant complaint or concern.

Audit Committee Oversight

Since the commencement of the Company's most recently completed financial year, there has not been a recommendation of the Audit Committee to nominate or compensate an external auditor that was not adopted by the Company's Board of Directors.

Reliance on Exemptions in NI 52-110 regarding *De Minimis* Non-audit Services or on a Regulatory Order Generally

- 3.1 **General.** The Committee shall be responsible for administering the Plan. The Committee may employ legal counsel, consultants, accountants, agents and other individuals, any of whom may be an Employee, and the Committee, the Company, and its officers and Directors shall be entitled to rely upon the advice, opinions or valuations of any such persons. All actions taken and all interpretations and determinations made by the Committee shall be final, conclusive and binding upon the Participants, the Company, and all other interested parties. No member of the Committee will be liable for any action or determination taken or made in good faith with respect to the Plan or Awards granted hereunder. Each member of the Committee shall be entitled to indemnification by the Company with respect to any such determination or action in the manner provided for by the Company and its subsidiaries.

- 3.2 **Authority of the Committee.** The Committee shall have full and exclusive discretionary power to determine the terms and provisions of Award Agreements, to interpret the terms and the intent of the Plan and any Award Agreement or other agreement ancillary to or in connection with the Plan, to determine eligibility for Awards, and to adopt such rules, regulations and guidelines for administering the Plan as the Committee may deem necessary or proper. Such authority shall include, but not be limited to, selecting Award recipients, establishing all Award terms and conditions, including grant, exercise price, issue price and vesting terms, determining any performance goals applicable to Awards and whether such performance goals have been achieved, and, subject to Article 13, adopting modifications and amendments to the Plan or any Award Agreement, including, without limitation, any that are necessary or appropriate to comply with the laws or compensation practices of the jurisdictions in which the Company and its Affiliates operate.
- 3.3 **Delegation.** The Committee may delegate to one or more of its members any of the Committee's administrative duties or powers as it may deem advisable; provided, however, that any such delegation must be permitted under applicable corporate law.

ARTICLE 4

SHARES SUBJECT TO THE PLAN AND MAXIMUM AWARDS

- 4.1 **Maximum Number of Shares Subject to the Plan.** Subject to adjustment pursuant to provisions of Section 4.5 hereof, the maximum number of Shares issuable at any time pursuant to outstanding Awards under this Plan shall be equal to 10% of the Outstanding Issue, as measured as at the date of any Award grant, or such other number as may be approved by the Exchange and the shareholders of the Company from time to time.
- No Award that can be settled in Shares issued from treasury may be granted if such grant would have the effect of causing the total number of Shares subject to such Award to exceed the above noted total numbers of Shares reserved for issuance pursuant to the settlement of Awards.
- 4.2 **Evergreen Plan.** The Plan is an "evergreen" plan, as Shares of the Company covered by Awards which have been exercised or settled, as applicable, and Awards which expire or are forfeited, surrendered, cancelled or otherwise terminated or lapse for any reason without having been exercised, will be available for subsequent grant under the Plan.
- 4.3 **Award Grants to Individuals.** The aggregate number of Shares for which Awards may be issued to any one Participant in any 12-month period shall not exceed 5% of the Outstanding Issue, calculated on the date an Award is granted to the Participant, unless the Company obtains disinterested shareholder approval as required by the policies of the Exchange. The aggregate number of Shares for which Awards may be issued to any one Consultant (as defined by the Exchange) within any 12-month period shall not exceed 2% of the Outstanding Issue, calculated on the date an Award is granted to the Consultant. The aggregate number of Shares for which Options may be issued to any Persons retained to provide Investor Relations Activities (as defined by the Exchange) within any 12-month period shall not exceed 2% of the Outstanding Issue, calculated on the date an Option is granted to such Persons.
- 4.4 **Award Grants to Insiders.** Unless disinterested shareholder approval as required by the policies of the Exchange is obtained: (i) the maximum number of Shares for which Awards may be issued to Insiders (as a group) at any point in time shall not exceed 10% of the Outstanding Issue; and (ii)

the aggregate number of Awards granted to Insiders (as a group), within any 12-month period, shall not exceed 10% of the Outstanding Issue, calculated at the date an Award is granted to any Insider.

4.5 **Adjustments in Authorized Shares.** In the event of any corporate event or transaction (collectively, a “**Corporate Reorganization**”) (including, but not limited to, a change in the Shares of the Company or the capitalization of the Company) such as a merger, arrangement, amalgamation, consolidation, reorganization, recapitalization, separation, stock dividend, extraordinary dividend, stock split, reverse stock split, split up, spin-off or other distribution of stock or property of the Company, combination of securities, exchange of securities, dividend in kind, or other like change in capital structure or distribution (other than normal cash dividends) to shareholders of the Company, or any similar corporate event or transaction, the Committee shall make or provide for such adjustments or substitutions, as applicable, in the number and kind of Shares that may be issued under the Plan, the number and kind of Shares subject to outstanding Awards, the Option Price, grant price or exercise price applicable to outstanding Awards, the limit on issuing Awards other than Options granted with an Option Price equal to at least the FMV of a Share on the date of grant and any other value determinations applicable to outstanding Awards or to the Plan, as are equitably necessary to prevent dilution or enlargement of Participants’ rights under the Plan that otherwise would result from such corporate event or transaction. In connection with a Corporate Reorganization, the Committee shall have the discretion to permit a holder of Options to purchase (at the times, for the consideration, and subject to the terms and conditions set out in the Plan and the applicable Award Agreement) and the holder will then accept on the exercise of such Option, in lieu of the Shares that such holder would otherwise have been entitled to purchase, the kind and amount of shares or other securities or property that such holder would have been entitled to receive as a result of the Corporate Reorganization if, on the effective date thereof, that holder had owned all Shares that were subject to the Option. Such adjustments shall be made automatically, without the necessity of Committee action, on the customary arithmetical basis in the case of any stock split, including a stock split effected by means of a stock dividend, and in the case of any other dividend paid in Shares.

The Committee shall also make appropriate adjustments in the terms of any Awards under the Plan as are equitably necessary to reflect such Corporate Reorganization and may modify any other terms of outstanding Awards, including modifications of performance criteria and changes in the length of Performance Periods. The determination of the Committee as to the foregoing adjustments, if any, shall be conclusive and binding on Participants under the Plan, provided that any such adjustments must comply with all regulatory requirements.

Subject to the provisions of Article 11 and any applicable law or regulatory requirement, without affecting the number of Shares reserved or available hereunder, the Committee may authorize the issuance, assumption, substitution or conversion of Awards under the Plan in connection with any Corporate Reorganization, upon such terms and conditions as it may deem appropriate. Additionally, the Committee may amend the Plan, or adopt supplements to the Plan, in such manner as it deems appropriate to provide for such issuance, assumption, substitution or conversion as provided in the previous sentence.

4.6 **Exchange Hold Period.** Pursuant to the policies of the Exchange, any Shares issuable under this Plan and any certificate(s) representing those Shares will include a legend stipulating that the Shares issued are subject to a four-month Exchange hold period commencing from the date of the Award grant.

- 5.1 **Eligibility.** Awards under the Plan shall be granted only to bona fide Employees, Non-Employee Directors and Consultants, as per the policies of the Exchange.
- 5.2 **Actual Participation.** Subject to the provisions of the Plan, the Committee may, from time to time, in its sole discretion select from among eligible Employees, Non-Employee Directors and Consultants, those to whom Awards shall be granted under the Plan, and shall determine in its discretion the nature, terms, conditions and amount of each Award.

ARTICLE 6
STOCK OPTIONS

- 6.1 **Grant of Options.** Subject to the terms and provisions of the Plan, Options may be granted to Participants and Persons retained to provide Investor Relations Activities in such number, and upon such terms, and at any time and from time to time as shall be determined by the Committee in its discretion provided that only Options and not Share Units may be granted to Persons retained to Provide Investor Relations Activities.
- 6.2 **Award Agreement.** Each Option grant shall be evidenced by an Award Agreement that shall specify the Option Price, the duration of the Option, the number of Shares to which the Option pertains, the conditions, if any, upon which an Option shall become vested and exercisable, and any such other provisions as the Committee shall determine. The Award Agreement for the grant of Options shall be in such form or forms as the Committee may from time to time approve.
- 6.3 **Option Price.** The Option Price for each grant of an Option under the Plan shall be determined by the Committee and shall be specified in the Award Agreement. The Option Price for an Option shall be not less than the FMV of the Shares on the date of grant.
- 6.4 **Vesting of Options.** Unless otherwise specified in an Award Agreement, and subject to any provisions of the Plan or the applicable Award Agreement relating to acceleration of vesting of Options, Options shall vest subject to Exchange Policies, and the Committee may, in its sole discretion, determine the time during which an Option shall vest and the method of vesting, or that no vesting restriction shall exist, provided that Options issued to any Persons retained to provide Investor Relations Activities shall vest solely subject to Exchange Policies as follows:
- (a) no more than 1/4 of the Stock Options vest no sooner than three months after the Stock Options were granted;
 - (b) no more than another 1/4 of the Stock Options vest no sooner than six months after the Stock Options were granted;
 - (c) no more than another 1/4 of the Stock Options vest no sooner than nine months after the Stock Options were granted; and
 - (d) the remainder of the Stock Options vest no sooner than 12 months after the Stock Options were granted.

- 6.5 **Duration of Options.** Each Option granted to a Participant shall expire at such time as the Committee shall determine at the time of grant, provided however that, subject to section 6.6, no Option shall be exercisable later than the tenth (10) anniversary date of its grant.
- 6.6 **Blackout Periods.** If the date on which an Option is scheduled to expire occurs during a Black Out Period applicable to such Participant, or within 10 business days after the last day of thereof, then the expiry date for such Option shall be extended to the last day of such 10 business day period.
- 6.7 **Exercise of Options.** Options granted under this Article 6 shall be exercisable at such times and on the occurrence of such events, and be subject to such restrictions and conditions, as the Committee shall in each instance approve, which need not be the same for each grant or for each Participant.
- 6.8 **Payment.** Options granted under this Article 6 shall be exercised by the delivery of a notice of exercise to the Company or an agent designated by the Company in a form specified or accepted by the Committee, or by complying with any alternative procedures which may be authorized by the Committee, setting forth the number of Shares with respect to which the Option is to be exercised, accompanied by full payment of the Option Price.

The Option Price and any Applicable Withholding Taxes upon exercise of any Option or part thereof shall be payable to the Company, to the extent permitted by Applicable Laws and subject to the Committee's discretion, as follows:

- (a) in cash or by certified cheque, wire transfer, bank draft or money order or by such other means as may be specified from time to time by the Committee;
- (b) pursuant to a broker-assisted cashless exercise, whereby the Participant shall elect, on a notice of exercise, to receive a loan from a brokerage firm, which the Company has an arrangement with, to purchase the underlying Shares. Upon the sale by the brokerage firm of an equivalent number of Shares received from the exercise of the Options to repay the loan made to the Participant, the Participant shall elect to receive either the balance of the Shares following the sale or the cash proceeds from the balance of the Shares; or
- (c) pursuant to a net exercise, whereby the Participant shall elect on a notice of exercise to receive an amount equal to the number of underlying Shares listed on the Exchange that is the equal to the quotient obtained by dividing:
 - (i) the product of the number of Options being exercised multiplied by the difference between the VWAP of the underlying Shares so listed and the exercise price of the subject Options; by
 - (ii) the VWAP of the underlying Shares so listed;

provided, however, that Persons retained to provide Investor Relations Activities shall not be permitted to exercise an Option using the net exercise method described in this Section 6.8(c).

As soon as practicable after receipt of a notification of exercise and full payment of the Option Price, the Shares in respect of which the Option has been exercised shall be issued as fully-paid and non-assessable common shares of the Company. As of the business day the Company receives such notice and such payment, the Participant (or the person claiming through a Participant, as the

case may be) shall be entitled to be entered on the share register of the Company as the holder of the number of Shares in respect of which the Option was exercised and to receive as promptly as possible thereafter, but in any event, on or before the 15th day of the third month of the year following the year in which the Option was exercised, a certificate or evidence of book entry representing the said number of Shares. The Company shall cause to be delivered to or to the direction of the Participant Share certificates or evidence of book entry Shares in an appropriate amount based upon the number of Shares purchased under the Option(s).

Shares shall not be issued pursuant to the exercise of an Option unless the exercise of such Option and the issuance and delivery of such Shares pursuant thereto shall comply with all relevant provisions of applicable Canadian and U.S. securities law, including, without limitation, the 1933 Act, the United States Securities and Exchange Act of 1934, as amended, applicable U.S. state laws, the rules and regulations promulgated thereunder, and the requirements of any stock exchange or consolidated stock price reporting system on which prices for the Shares are quoted at any given time. As a condition to the exercise of an Option, the Company may require the person exercising such Option to represent and warrant at the time of any such exercise that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the Company, such a representation is required by law.

6.9 **Death, Disability, Retirement and Termination or Resignation of Employment.** If the Award Agreement does not specify the effect of a termination, cessation or resignation of employment then the following default rules will apply:

- (a) **Death:** If a Participant dies while an Employee, Director of, or Consultant to, the Company or an Affiliate of the Company:
 - (i) all unvested Options as at the Termination Date shall automatically and immediately vest; and
 - (ii) all vested Options (including those that vested pursuant to (i) above) shall continue to be subject to the Plan and exercisable for a period of 12 months after the Termination Date, provided that any Options that have not been exercised within 12 months after the Termination Date shall automatically and immediately expire and be forfeited on such date.
- (b) **Disability:** If a Participant ceases to be eligible to be a Participant under the Plan as a result of their Disability then all Options remain and continue to vest (and are exercisable) in accordance with the terms of the Plan for a period of 12 months after the Termination Date, provided that any Options that have not been exercised (whether vested or not) within 12 months after the Termination Date shall automatically and immediately expire and be forfeited on such date.
- (c) **Retirement:** If a Participant Retires then the Board shall have the discretion, with respect to such Participant's Options, to determine: (i) whether to accelerate vesting of any or all of such Options, whether any of such Options shall be cancelled, with or without payment, and (iii) how long, if at all, such Options may remain outstanding following the Termination Date; provided, however, that in no event shall such Options be exercisable for more than 12 months after the Termination Date.

 - (ii) all vested Options shall continue to be subject to the Plan and exercisable for a period of 60 days after the Termination Date, provided that any Options that have not been exercised within 90 days after the Termination Date shall automatically and immediately expire and be forfeited on such date.

6.10 **Non-transferability of Options.** An Option granted under this Article 6 may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by bequeath or by the laws of descent and distribution, subject to the requirements of the Exchange or as otherwise allowed by the Exchange.

However, in the event that a Participant ceases to be an eligible Participant under the Plan, no Deferred Share Units issued to such Participant may be retained for a period of more than 12 months after the Termination Date, provided that any Deferred Share Units that have not been settled within 12 months after the Termination Date shall automatically and immediately expire and be forfeited on such date.

Any Shares may be granted subject to any restrictions deemed appropriate by the Committee. However, in the event that a Participant ceases to be an eligible Participant under the Plan, no Performance Share Units issued to such Participant may be retained for a period of more than 12 months after the Termination Date, provided that any Performance Share Units that have not been settled within 12 months after the Termination Date shall automatically and immediately expire and be forfeited on such date.

A Participant may designate a beneficiary or change a previous beneficiary designation at such times as prescribed by the Committee and by using such forms and following such procedures

approved or accepted by the Committee for that purpose. If no beneficiary designated by the Participant is eligible to receive payments or other benefits or exercise rights that are available under the Plan at the Participant's death, the beneficiary shall be the Participant's estate.

- 10.2 **Discretion of the Committee.** Notwithstanding the provisions above, the Committee may, in its discretion, after notifying the affected Participants, modify the foregoing requirements, institute additional requirements for beneficiary designations, or suspend the existing beneficiary designations of living Participants or the process of determining beneficiaries under this Article 10, or both, in favor of another method of determining beneficiaries.

ARTICLE 11 RIGHTS OF PERSONS ELIGIBLE TO PARTICIPATE

- 11.1 **Employment.** Nothing in the Plan or an Award Agreement shall interfere with or limit in any way the right of the Company or an Affiliate of the Company to terminate any Participant's employment, consulting or other service relationship with the Company or the Affiliate at any time, nor confer upon any Participant any right to continue in the capacity in which he or she is employed or otherwise serves the Company or the Affiliate.

Neither an Award nor any benefits arising under the Plan shall constitute part of an employment or service contract with the Company or an Affiliate of the Company, and, accordingly, subject to the terms of the Plan, the Plan may be terminated or modified at any time in the sole and exclusive discretion of the Committee or the Board without giving rise to liability on the part of the Company or its Affiliates for severance payments or otherwise, except as provided in the Plan.

For purposes of the Plan, unless otherwise provided by the Committee, a transfer of employment of a Participant between the Company and an Affiliate or among Affiliates of the Company, shall not be deemed a termination of employment. The Committee may provide, in a Participant's Award Agreement or otherwise, the conditions under which a transfer of employment to an entity that is spun off from the Company or an Affiliate of the Company shall not be deemed a termination of employment for purposes of an Award.

- 11.2 **Participation.** No Employee or other Person eligible to participate in the Plan shall have the right to be selected to receive an Award. No person selected to receive an Award shall have the right to be selected to receive a future Award, or, if selected to receive a future Award, the right to receive such future Award on terms and conditions identical or in proportion in any way to any prior Award.
- 11.3 **Rights as a Shareholder.** A Participant shall have none of the rights of a shareholder with respect to Shares covered by any Award until the Participant becomes the holder of such Shares.

ARTICLE 12 CHANGE OF CONTROL

- 12.1 **Change of Control and Termination of Employment.** Subject to section 12.2 and the terms and provisions of any Award Agreement, if there is a Change of Control, any Awards held by a Participant shall automatically vest following such Change of Control, on the Termination Date, if the Participant is an Employee, officer or a Director and their employment, or officer or Director position is terminated within 12 months following the Change of Control, provided that no acceleration of Awards shall occur in the case of a Participant that was retained to provide

Investor Relations Activities unless the approval of the Exchange is either obtained or not required.

- 12.2 **Discretion to Board.** Notwithstanding any other provision of the Plan, in the event of an actual or potential Change of Control, the Board may, in its sole discretion, without the necessity or requirement for the agreement of any Participant: (i) accelerate, conditionally or otherwise, on such terms as it sees fit (including, but not limited to those set out in (iii) and (iv) below), the vesting date of any Awards; (ii) permit the conditional redemption or exercise of any Awards, on such terms as it sees fit; (iii) otherwise amend or modify the terms of any Awards, including for greater certainty by (1) permitting Participants to exercise or redeem any Awards to assist the Participants to participate in the actual or potential Change of Control, or (2) providing that any Awards exercised or exercisable shall be exercised or redeemed for, in lieu of Shares, such property (including shares of another entity or cash) that shareholders of the Company will receive in the Change of Control; and (iv) terminate, following the successful completion of a Change of Control, on such terms as it sees fit, the Awards not exercised or redeemed prior to the successful completion of such Change of Control.
- 12.3 **Non-Occurrence of Change of Control.** In the event that any Awards are conditionally exercised pursuant to section 12.2 above and the Change of Control does not occur, the Board may, in its sole discretion, determine that any (i) Awards so exercised shall be reinstated as the type of Award prior to such exercise, and (ii) Shares issued be cancelled and any exercise or similar price received by the Company shall be returned to the Participant.
- 12.4 **Agreement with Purchaser in a Change of Control.** In connection with a Change of Control, the Board may be permitted to condition any acceleration of vesting on the Participant entering into an employment, confidentiality or other agreement with the purchaser as the Board deems appropriate.

ARTICLE 13 AMENDMENT AND TERMINATION

- 13.1 **Amendment and Termination.** The Board may, at any time, suspend or terminate the Plan. Subject to compliance with any applicable law, including the rules of the Exchange, the Board may also, at any time, amend or revise the terms of the Plan and any Award Agreement. No such amendment of the Plan or Award Agreement may be made if such amendment would materially and adversely impair any rights arising from any Awards previously granted to a Participant under the Plan without the consent of the Participant or the representatives of his or her estate, as applicable.
- 13.2 **Reduction of Option Price or Grant Price and Extension of Options.** Disinterested shareholder approval as required by the policies of the Exchange shall be obtained for: (i) any reduction in the Option Price; and (ii) the extension of the term of an Option; in either case if the Participant is an Insider of the Company at the time of the proposed amendment.

ARTICLE 14 WITHHOLDING

- 14.1 **Withholding.** The Company or any of its Affiliates shall have the power and the right to deduct or withhold, or require a Participant to remit to the Company or the Affiliate, an amount sufficient to satisfy federal, provincial and local taxes or domestic or foreign taxes required by law or

regulation to be withheld with respect to any taxable event arising from or as a result of the Plan or any Award hereunder. The Committee may provide for Participants to satisfy withholding requirements by having the Company withhold and sell Shares or the Participant making such other arrangements, including the sale of Shares, in either case on such conditions as the Committee specifies.

- 14.2 **Acknowledgement.** Participant acknowledges and agrees that the ultimate liability for all taxes legally payable by Participant is and remains Participant's responsibility and may exceed the amount actually withheld by the Company. Participant further acknowledges that the Company: (a) makes no representations or undertakings regarding the treatment of any taxes in connection with any aspect of the Plan; and (b) does not commit to and is under no obligation to structure the terms of the Plan to reduce or eliminate Participant's liability for taxes or achieve any particular tax result. Further, if Participant has become subject to tax in more than one jurisdiction, Participant acknowledges that the Company may be required to withhold or account for taxes in more than one jurisdiction.

ARTICLE 15 SUCCESSORS

- 15.1 Any obligations of the Company or its Affiliates under the Plan with respect to Awards granted hereunder shall be binding on any successor to the Company or its Affiliates, respectively, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation or otherwise, of all or substantially all of the businesses and/or assets of the Company or the Affiliate, as applicable.

ARTICLE 16 GENERAL PROVISIONS

- 16.1 **Delivery of Title.** The Company shall have no obligation to issue or deliver evidence of title for Shares issued under the Plan prior to:
- (a) Obtaining any approvals from governmental agencies that the Company determines are necessary or advisable; and
 - (b) Completion of any registration or other qualification of the Shares under any applicable law or ruling of any governmental body that the Company determines to be necessary or advisable.

- 16.4 **No Fractional Shares.** No fractional Shares shall be issued or delivered pursuant to the Plan or any Award Agreement. In such an instance, unless the Committee determines otherwise, fractional Shares and any rights thereto shall be forfeited or otherwise eliminated.

- 16.5 **Other Compensation and Benefit Plans.** Nothing in the Plan shall be construed to limit the right of the Company or an Affiliate of the Company to establish other compensation or benefit plans, programs, policies or arrangements. Except as may be otherwise specifically stated in any other benefit plan, policy, program or arrangement, no Award shall be treated as compensation for purposes of calculating a Participant's rights under any such other plan, policy, program or arrangement.
- 16.6 **No Constraint on Corporate Action.** Nothing in the Plan shall be construed (i) to limit, impair or otherwise affect the Company's or its Affiliates' right or power to make adjustments, reclassifications, reorganizations or changes in its capital or business structure, or to merge or consolidate, or dissolve, liquidate, sell or transfer all or any part of its business or assets, or (ii) to limit the right or power of the Company or its Affiliates to take any action which such entity deems to be necessary or appropriate.
- 16.7 **Compliance with Canadian Securities Laws.** All Awards and the issuance of Shares underlying such Awards issued pursuant to the Plan will be issued pursuant to an exemption from the prospectus requirements of Canadian securities laws where applicable.
- 16.8 **Compliance with U.S. Securities Laws.** All Awards and the issuance of Shares underlying such Awards issued pursuant to the Plan will be issued pursuant to the registration requirements of the U.S. Securities Act of 1933, as amended or an exemption from such registration requirements. If the Awards or Shares are not so registered and no such registration exemption is available, the Company shall not be required to issue any Shares otherwise issuable hereunder.

ARTICLE 17 LEGAL CONSTRUCTION

- 17.1 **Gender and Number.** Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine, the plural shall include the singular, and the singular shall include the plural.
- 17.2 **Severability.** In the event any provision of the Plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of the Plan, and the Plan shall be construed and enforced as if the illegal or invalid provision had not been included.
- 17.3 **Requirements of Law.** The granting of Awards and the issuance of Shares under the Plan shall be subject to all applicable laws, rules and regulations, and to such approvals by any governmental agencies or securities exchanges as may be required. The Company or an Affiliate of the Company shall receive the consideration required by law for the issuance of Awards under the Plan.

The inability of the Company or an Affiliate of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company or the Affiliate to be necessary for the lawful issuance and sale of any Shares hereunder, shall relieve the Company or the Affiliate of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

- 17.4 **Governing Law.** The Plan and each Award Agreement shall be governed by the laws of the Province of British Columbia and the laws of Canada applicable therein excluding any conflicts or choice of law rule or principle that might otherwise refer construction or interpretation of the Plan to the substantive law of another jurisdiction.
